### FEST JAZZ CHATEAUNEUF-DU-DU FAOU

15<sup>th</sup> edition 26th – 28th July 2019

Once again we are delighted to welcome our friends from the MG Owners' Club, and all classic cars, to our festival.

Here are the scheduled events :

- Reserved parking at the interior of the festival site throughout the week end. This is a real advantage, as now the festival site is "car free".
- A free Rally Plate for the classic cars entered.
- A central "meeting point" for entrants at "Le Chaland" Restaurant and Bar on the banks of the river, near the festival site.
- A Friday evening reception with the Maire and other dignitaries; free wine and food for classic car entrants. This will be on the main site of the festival (below where the cars are parked)
- A Saturday morning parade of the cars in the Place de Resistance in the centre of the village.
- Reserved tables at the Saturday lunchtime concert at the Restaurant "Vent des Iles".
- A "Guide to Fest Jazz for English Speakers" will be available to all the drivers
- A Sunday road run around the local countryside.
